To the holders of Ordinary Shares

Dear Shareholder

Annual General Meeting 2019

You will find enclosed with this letter a notice convening the Annual General Meeting ('AGM') of the Company ('Notice') to be held at 12 noon on 1 May 2019 at York Racecourse, Knavesmire Road, York YO23 1EX. The ordinary resolutions 1 to 12 relate to the routine business of the AGM and the ordinary resolution 13 and the special resolutions 14 to 16 relate to special business. The resolutions are summarised and explained below.

Report and Accounts and Declaration of a Dividend: Resolutions 1 and 2

The first item on the Notice is for shareholders to receive and adopt the Directors' and Auditor's Reports and Financial Statements for the financial year ended 31 December 2018. Resolution 2 is to declare a final dividend of 110p per ordinary share, as recommended by the Directors. If approved, the final dividend will be payable on 2 July 2019 to shareholders on the Register of Members at the close of business on 14 June 2019. The Directors will also pay an interim dividend in respect of the financial year ended 31 December 2018 of 125p per share on 29 March 2019, to shareholders on the Register of Members at the close of business on 8 March 2019.

Directors' Remuneration: Resolution 3

Resolution 3 is to seek shareholders' approval for the Annual Report on Remuneration for the financial year ended 31 December 2018, which is set out on pages 71 to 85 of the Annual Report 2018. The Annual Report on Remuneration sets out how the Directors were paid in the year to 31 December 2018 and how it is proposed to implement the approved Remuneration Policy in 2019. The shareholder vote on the Annual Report on Remuneration resolution will be advisory and no entitlement of a Director to remuneration is conditional on it.

The second tranche of awards granted under the Company's 2012 Long Term Incentive Plan ('2012 LTIP') vested on 2 July 2018, concluding the 2012 LTIP. This was the result of the Group achieving the performance condition of returning £6.20 per share, equal to £1.9 billion, to shareholders under the Group's Capital Return Plan. Further details of the performance condition are set out on pages 76 and 77 of the 2018 Annual Report. While the Remuneration Committee had no discretion to reduce the LTIP awards, in February 2018 the Executive Directors surrendered part of their entitlements and extended the holding period for certain shares.

The Remuneration Committee spent time in 2018 working to ensure that Persimmon's future remuneration structure is clearly aligned with best practice and executive director remuneration has been re-shaped so that it is both lower overall and more balanced, with increased weightings on customer care and build quality. All awards now include discretion to reduce any formulaic out-turns plus updated malus and clawback provisions.

At the 2018 AGM, 48.5% of shareholders voted against the 2017 Remuneration Report and a substantial number of shareholders abstained from the vote. By voting in this way, shareholders conveyed a clear message to the Board on the value of awards vesting under the 2012 LTIP. The Board conducted extensive engagement with major shareholders in 2018 to understand their concerns. Having listened to the views of our shareholders and wider stakeholders the Remuneration Committee understands the need for pay restraint.

On 26 February 2019, the Company announced the appointment of David Jenkinson as Group Chief Executive. There was no change to Mr Jenkinson's salary upon his appointment as Group Chief Executive and it was also agreed that he will not receive an annual bonus for 2019 or an award under the Group's 2017 Performance Share Plan in 2019. Details of how the Executive Directors will be paid in 2019 are set out on pages 83 and 84 of the 2018 Annual Report.

The Remuneration Policy was approved by shareholders at the AGM held in April 2017 and a summary of that policy is set out on pages 86 to 90 of the 2018 Annual Report but is not part of the Annual Report on Remuneration that is subject to the shareholder vote. The full approved Remuneration Policy may be viewed on the Company's website at www.persimmonhomes.com/corporate/investors in the 2016 Annual Report.

Election and re-election of Directors: Resolutions 4 to 10

Resolutions 4 to 10 concern the re-election of Directors by shareholders, or in the case of Roger Devlin, his election by shareholders for the first time. In accordance with the provisions of the UK Corporate Governance Code 2018, all of the Directors will retire at the AGM and offer themselves for re-election (or in the case of Roger Devlin, election). Following individual performance evaluation, the Board supports the re-election of each of the Directors seeking re-election. The Board further supports the election of Roger Devlin who has extensive experience as an executive, Non-Executive and Chairman in a wide range of companies. The search for a new Chairman was led by the Nomination Committee, assisted by MWM Consulting, an executive search firm. MWM Consulting has no other connections with the Group. A number of candidates were considered and interviewed by the Nomination Committee. Following the search, the Nomination Committee recommended to the Board that Roger Devlin be appointed Chairman. The appointment became effective on 1 June 2018.

The Board considers each of the Non-Executive Directors to be independent. The Non-Executive Directors have individually performed well in their duties and have shown a high level of independence and commitment to their roles. Together they have skills and experience to support the Executive Directors and challenge them where necessary. The Executive Directors have also performed well on an individual basis, they have extensive experience in the housebuilding industry and together form a strong executive management team with the necessary skills and experience to manage the business and deliver the Group's strategy.

Biographies setting out the experience, skills and contribution of each of the Directors may be found on pages 56 and 57 of the Annual Report 2018, which can be found on the Company's website at www.persimmonhomes.com/corporate/investors.

Appointment of Auditor: Resolution 11

Resolution 11 is for the re-appointment by shareholders of Ernst & Young LLP as auditor. This resolution was recommended to the Board by the Audit Committee following their review of the 2018 audit. The Audit Committee continues to consider that the auditor and the audit engagement partner remain independent and that the performance of the auditor remains satisfactory. Further information can be found on pages 65 and 66 of the 2018 Annual Report.

Remuneration of Auditor: Resolution 12

Resolution 12 is for shareholders to authorise the Audit Committee to determine the auditor's remuneration.

Authority to Allot Ordinary Shares: Resolution 13

Resolution 13, which will be proposed as an ordinary resolution, is to give the Directors authority to allot ordinary shares of ten pence each ('Ordinary Shares') and grant rights to subscribe for, or convert any security into, Ordinary Shares. This resolution will allow the Directors to allot Ordinary Shares up to a maximum nominal amount of £10,616,850, representing approximately one third of the Company's existing issued share capital as at 8 March 2019, being the latest practicable date prior to the publication of this document. The Directors have no present intention of using the authority given to allot further shares, but would prefer to have the flexibility to do so, should the need arise. However, if they do exercise the authority, the Directors intend to follow emerging best practice as regards its use.

The Company holds no Ordinary Shares in treasury as at 8 March 2019.

This authority will, if granted, expire at the conclusion of the AGM to be held in 2020 or, if earlier, on 30 June 2020.

Renewal of section 561 authority: Resolution 14

Under section 561 of the Companies Act 2006, any shares allotted (or, in the case of any shares held in treasury, sold) wholly for cash must be offered to existing shareholders in proportion to their holdings, but this requirement may be modified by the authority of a special resolution of the shareholders in general meeting.

The authority given at the AGM held on 25 April 2018 will expire at the end of the forthcoming AGM and resolution 14 seeks to renew it. This resolution would give the Directors the power to allot Ordinary Shares (or sell any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

The power under resolution 14 would be, similar to previous years, limited to (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the Board otherwise considers necessary, or (b) otherwise up to a nominal amount of £1,592,528. This nominal amount represents approximately 5% of the issued ordinary share capital of the Company (excluding treasury shares) as at 8 March 2019, the latest practicable date prior to publication of this document.

The Board confirms its intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authority within a rolling three-year period where the Principles provide that usage in excess of 75% of issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders.

The authority under resolution 14 will expire at the conclusion of the following AGM or, if earlier, on 30 June 2020.

Authority for the Company to Purchase its own Ordinary Shares: Resolution 15

The Directors consider it would be beneficial for the Company to continue to have the power to purchase its own Ordinary Shares in certain circumstances. The current authority expires at the conclusion of the forthcoming AGM. If the authority were to be renewed and exercised, the Company would be able to purchase Ordinary Shares and either cancel them (so reducing the total number of Ordinary Shares in issue) or hold them as treasury shares if the Ordinary Shares were to be purchased out of distributable profits, subject to certain limitations. Treasury shares themselves may be cancelled, sold for cash or transferred for the purposes of the Company's employee share schemes. All rights attaching to Ordinary Shares, including voting rights and the right to receive dividends, are suspended while they are held in treasury.

Resolution 15, which will be proposed as a special resolution, authorises the Directors to purchase up to a maximum of 31,850,566 Ordinary Shares, being 10% of the issued share capital of the Company as at 8 March 2019. This is the latest practicable date to be able to ascertain the issued share capital of the Company prior to the publication of this document.

The maximum and minimum prices are stated in the resolution.

The authority will, if granted, expire at the conclusion of the AGM to be held in 2020 or, if earlier, on 30 June 2020. It is envisaged that the Directors will continue to seek renewal of the authority annually.

The Directors will only implement purchases of Ordinary Shares if, after careful consideration, they are satisfied that such purchases are in the best interests of the Company and its shareholders generally and would result in an increase in expected earnings per share. The Company may either retain any of its Ordinary Shares which it has purchased as treasury shares with a possible re-issue at a further later date, or cancel them. If such purchases are made, to the extent the purchased Ordinary Shares are held as treasury shares, any increase in earnings per share might only be temporary, depending on whether the Ordinary Shares in question are cancelled, sold or transferred out of treasury. Furthermore, account will be taken of the overall financial implications for the Company before any purchases of Ordinary Shares are implemented.

As at 8 March 2019, options and awards to acquire Ordinary Shares granted under the Company's employee share schemes were outstanding over a total of 1,899,907 Ordinary Shares, being equivalent to 0.6% of the issued share capital of the Company at that date. If the Directors were to be granted this authority to purchase Ordinary Shares and were to use it in full and subsequently cancel such Ordinary Shares, the outstanding options and awards would be equal to 0.7% of the then issued share capital of the Company. This assumes no further equity issues or exercise of options take place.

In any 10-year period the Company may not issue more than 10% of the issued share capital of the Company to satisfy option exercises under its employee share schemes. Options granted under employee share schemes may be satisfied by the issue of new Ordinary Shares, the transfer of treasury shares (both of which count towards the number issued in any 10-year period) or by Ordinary Shares purchased in the market.

No shares have been purchased to date under the current authority and the Directors have no present intention of exercising the authority to purchase Ordinary Shares, but consider it would be beneficial for the Company to continue to have this power.

Notice Period for General Meetings: Resolution 16

Resolution 16 will be proposed as a special resolution to approve the holding of general meetings, other than AGMs, on 14 clear days' notice. Under the Companies Act 2006, the minimum notice period for listed company general meetings is 21 clear days, but with an ability for companies to reduce this period to 14 clear days (other than for annual general meetings) provided that certain conditions are met.

One condition is that the Company offers a facility for shareholders to vote by electronic means. This condition is met if the Company offers a facility allowing members to appoint a proxy by means of a website. The Company provides this facility (please refer to 'Recommendation and Action to be Taken' below and note 3 of the Notice). The other condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 clear days to 14 clear days.

The Directors consider it would be beneficial to the Company to continue to have the ability to call general meetings on 14 clear days' notice. The Directors do not propose to utilise this shorter notice period as a matter of routine but only for time-sensitive, non-routine business and where to do so would be in the interest of the shareholders as a whole. In those circumstances, the Directors are confident that a facility to permit electronic voting can be made available to all of the Company's shareholders. This authority, if granted, would expire at the conclusion of the AGM of the Company to be held in 2020. AGMs will continue to be held on at least 21 clear days' notice.

Recommendation and action to be taken

Shareholders are encouraged to attend the AGM and vote on the resolutions in person. If you are unable to attend the meeting, you are urged to complete a Form of Proxy and return it to the Company's Registrars, Computershare Investor Services PLC, either by post to The Pavilions, Bridgwater Road, Bristol BS99 6ZY or online at www.eproxyappointment.com or by submitting a CREST Proxy Instruction, by no later than 12 noon on 29 April 2019. The appointment of a proxy will not prevent a shareholder from attending the AGM and voting in person if he or she is entitled to do so and so wishes.

The Directors consider that the proposed resolutions are in the best interests of the Company and its shareholders as a whole and recommend shareholders vote in favour of the resolutions set out in the Notice, as they intend to do in respect of their own beneficial holdings which, as at 8 March 2019, being the latest practicable date prior to the publication of this document, amounted to 2,522,959 Ordinary Shares, being 0.8% of the issued share capital.

Yours faithfully

Roger Devlin
Chairman

(incorporated and registered in England and Wales with registered number 1818486)

'Rights Issue' for the purpose of this resolution means an offer of equity securities open for acceptance for a period fixed by the Directors to holders of equity securities on the register on a fixed record date in proportion (as nearly as may be) to their respective holdings of such securities or in accordance with the rights attached thereto but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient to deal with treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems under the laws of, or the requirements of any recognised regulatory body or any stock exchange in, any territory or any other matter whatsoever.

15. To pass the following as a Special Resolution:

- 15.5 the Company may, before this authority expires, make a contract to purchase Ordinary Shares that would or might be executed wholly or partly after the expiry of this authority, and may make purchases of Ordinary Shares pursuant to it as if this authority had not expired.

Notes:

1. To attend and vote at the AGM (and also for the purpose of determining how many votes a person entitled to attend and vote may cast) a shareholder must be entered on the relevant register of members (the 'Register') for certificated or uncertificated shares of the Company (as the case may be) by 6.00 pm on 29 April 2019 (the 'Specified Time'). Changes to entries on the Register after the Specified Time shall be disregarded in determining the rights of any person to attend and/or vote at the meeting. Should the AGM be adjourned to a time not more than 48 hours after the Specified Time, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned meeting. If the AGM is adjourned for a longer period, the time by which a person must be entered on the Register in order to have the right to attend or vote at the adjourned meeting is two working days before the time fixed for the adjourned meeting or, if the Company gives notice of the adjourned AGM, at the time specified in the notice.
2. Any shareholder of the Company who is entitled to attend, speak and vote at the meeting may appoint one or more proxies to attend, speak and vote on his or her behalf provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder, but the proxy or proxies must attend the meeting in person. A proxy need not be a member of the Company. To be valid, a Form of Proxy (or electronic appointment of a proxy) and any power of attorney or other authority under which it is required (or a duly certified copy of such power of attorney) must be completed and lodged with the Company's Registrars not less than 48 hours before the time fixed for the AGM. Completion and return of the Form of Proxy (or electronic appointment of a proxy) will not prevent a member from attending the meeting or any adjournment thereof and voting in person if he is entitled to do so.
3. You may use the Form of Proxy issued to you which should be returned to Computershare by post to The Pavilions, Bridgwater Road, Bristol BS99 6ZY or by hand (during normal business hours only) to Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY. Alternatively, you may appoint a proxy electronically. If you wish to submit your Proxy Form via the internet, you will need your Control Number, Shareholder Reference Number (SRN) and Personal Identification Number (PIN) which are printed on the Form of Proxy.

To appoint a proxy via the internet, you should log on to the Computershare website at www.eproxyappointment.com. You will be asked to agree to the terms and conditions for electronic proxy appointment. It is important that you read these terms and conditions as they set out the basis on which proxy appointment via the internet shall take place. This electronic address is provided only for the purpose of communications relating to electronic appointment of proxies.

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meeting to be held on 1 May 2019 and any adjournments of it, by utilising the procedures, and to the address, described in the CREST Manual (available via www.euroclear.com/ CREST), subject to the provisions of the Company's articles of association. CREST Personal Members or other CREST Sponsored Members, and those CREST members who have appointed voting service provider(s), should refer to their CREST Sponsor or voting service provider(s), who will be able to take appropriate action on their behalf. In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK and Ireland Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. To be valid, the message must be transmitted so as to be received by the Company's agent (ID number 3RA50) not later than 48 hours before the time appointed for holding the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and where applicable, their CREST sponsors or voting service provider(s) should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or Sponsored Member or has appointed voting service provider(s), to procure that the member's CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by the CREST system by any particular time. In this connection, CREST members and where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

4. A shareholder entitled to attend and vote at the AGM has the right to ask questions relating to the business being dealt with at the meeting. The Company must cause to be answered any such question but no answer need be given if to do so would interfere unduly with the business of the meeting, involve the disclosure of confidential information, or if it would be undesirable in the interests of the Company or the good order of the meeting that the question be answered.
5. Any person to whom this Notice is sent who is a person nominated under section 146 Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him or her and the shareholder by whom he or she was nominated, have a right to be appointed (or have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of rights of members in relation to the appointment of proxies in notes 2 and 3 above does not apply to Nominated Persons. The rights described in those notes can only be exercised by shareholders of the Company. A Nominated Person should remember that his main point of contact in terms of his investment remains the registered member, custodian or broker who administers the investment on his behalf. Therefore, any changes or queries relating to his personal details and holding (including any administration thereof) must continue to be directed to his existing contact at his investment manager or custodian. The Company cannot guarantee dealing with matters that are directed to it in error. The only exception to this is when the Company, in exercising one of its powers under the Companies Act 2006, writes to the Nominated Person directly for a response.

6. Copies of the terms of reference of the Nomination Committee, the Remuneration Committee and the Audit Committee are available on the Company's website www.persimmonhomes.com/corporate or on request in writing to the Company Secretary at the Company's registered office. Copies of each of the terms of reference will be available on the day of the AGM at the place of the meeting for at least 15 minutes prior to and during the AGM.
7. Copies of the Executive Directors' service contracts and the letters of appointment of the Chairman and Non-Executive Directors will be available for inspection at the Company's registered office at Persimmon House, Fulford, York YO19 4FE during normal business hours from the date of this Notice until the close of the AGM (Saturdays, Sundays and public holidays excepted) and on the day of the AGM at the place of the meeting for at least 15 minutes prior to and during the AGM.
8. As at 8 March 2019 (being the latest practicable date prior to the publication of this notice), the issued share capital of the Company was 318,505,669 ordinary shares of 10 pence each, carrying one vote each. No ordinary shares are held by the Company in treasury. The total number of voting rights in the Company as at 8 March 2019 was therefore 318,505,669.
9. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.
10. A copy of this Notice and other information required by section 311A of the Companies Act 2006 can be found at www.persimmonhomes.com/corporate.
11. Under section 527 of the Companies Act 2006, members meeting the threshold requirement set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM or any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.
12. Under section 338 and section 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company (i) to give, to members of the Company entitled to receive notice of the AGM, notice of a resolution which may properly be moved and is intended to be moved at the meeting and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than the date 6 clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
13. You may not use any electronic address provided either in this Notice or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
14. Members attending the AGM should be appropriately and smartly dressed.
