Directors' report

The directors present their annual report and financial statements for the year ended 31 December 2025.

Principal activity & Business review

The company's principal activity and business review are discussed on page 2 of these accounts.

The company is a subsidiary of Persimmon Plc, the ultimate parent company and ultimate controlling party. All principal risks and uncertainties facing the company, relevant key performance indicators (both financial and non-financial), financial risk management objectives and policies, and comments upon likely future developments have been included in the strategic report within the annual report of Persimmon Plc.

A copy of the Persimmon Plc annual report is available from the company secretary or, alternatively, at www.persimmonhomes.com/corporate.

Dividends

The directors do not propose the payment of an ordinary dividend (2024: £nil).

Going Concern

The directors have considered the company's principal risk areas that they consider material to the assessment of going concern. Having completed this assessment, the directors believe that preparing the financial statements on the going concern basis is appropriate due to the continued financial support of the ultimate parent company Persimmon Plc. The directors have received confirmation that Persimmon Plc intends to support the company to 31 December 2027. For further information regarding the going concern status, please refer to the statement on page 12.

Directors

The directors who held office during the year, and to the date of this report, were as follows:

MJ Smith
J Nichols

Auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the company's auditor is unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of section 418 of the Companies Act 2006.

Pursuant to section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Ernst and Young LLP will therefore continue in office.

By order of the board

Strategic report

Principal activity

The company's principal activity is the manufacture and sale of timber frames, highly insulated wall panels and roof cassettes which can be used in the construction of new homes. These products are sold exclusively to businesses within the Persimmon group, which Space4 Limited is a part of.

Business model

The company's business model is heavily influenced by the wider Persimmon group as its sole customer. The Persimmon group's business model can be found on page 8 of Persimmon Plc's 2025 annual report which is available at www.persimmonhomes.com/corporate. The company's focus is to ensure it provides a secure supply of key materials to enable the wider group to fulfil its' activities.

Business review and results

The company continues to perform well and expects to grow in future years.

Profit before tax for the year amounted to £355,000 (2024: £1,626,000). The directors are pleased with the performance of the company in 2025 and the resulting financial position.

Key performance indicators

Financial and non-financial key performance indicators are considered on a Persimmon Group wide basis.

The group's financial key performance indicators are new housing revenue, forward sales, operating margin, profit before tax, free cash generation, net cash, return on average capital employed and net assets per share.

The group's non-financial key performance indicators are land holdings, customer satisfaction score, quality, number of work-related incidents (RIDDORS) and absolute Scope 1 and 2 carbon emissions.

The above key performance indicators are discussed further on page 18 of Persimmon Plc's 2025 annual report which is available at www.persimmonhomes.com/corporate.

The company's future developments, performance and positioning along with its environmental impact, policy towards employees, the wider community and other key stakeholders align with the performance and policies of its ultimate parent company, Persimmon Plc. Persimmon Plc's commentary on its performance and policies can be found throughout its 2025 annual report on pages 1 to 79.

The company has specific key performance indicators to support the wider group. These are numbers of orders received, number of open orders, average selling price, transport costs and loading ratios, labour costs, readiness of orders due to go out in the next 6 weeks. These are reviewed at bimonthly management meetings.

The company is exempt from Streamlined Energy and Carbon Reporting (SECR) requirements as these are discussed on page 28 of Persimmon Plc's 2025 annual report.

Principal risks and uncertainties

The company's principal risks align with which affect the wider Persimmon group. The risks identified in 2025 are:

1. UK economic and market conditions
2. Government policy and political risk
3. Climate change and sustainability
4. HS&E event
5. Building safety and legacy buildings
6. Land and planning
7. Supply Chain
8. Finance and liquidity
9. Skilled workforce, retention and succession
10. Business resilience
11. Reputation
12. Regulatory compliance

Details of each of these risks and the actions taken to mitigate and monitor them can be found on pages 73 to 76 of Persimmon Plc's annual report, available at www.persimmonhomes.com/corporate.

Strategic report *(continued)*

Section 172 statement

The following disclosure describes how the directors have had regard to the matters set out in Section 172 (1) (a) to (f) and forms the Directors statement required under Section 414 CZA of the Companies Act 2006.

The directors of the company have taken guidance on fulfilment of their responsibilities from the Persimmon group board who set out their s172 statement in pages 51 to 57 of the 2025 annual report of Persimmon Plc available at www.persimmonhomes.com/corporate.

The company ensures that it has the correct policies and procedures in place to support the Persimmon group in fulfilling its section 172 obligations.

Principal Decisions

The key decisions of the company have been to fulfil its principal activity and ensure it continues to act in the best interest of all its stakeholders to enable it to meet its goals. The principal decisions taken by the Persimmon group can be found on page 58 of the 2025 annual report of Persimmon Plc which can be found at www.persimmonhomes.com/corporate.

Statement of directors' responsibilities in respect of the Directors' Report, Strategic report and the financial statements

The directors are responsible for preparing the Directors' Report, Strategic report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS101 *Reduced Disclosure Framework*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of Space4 Limited

Opinion

We have audited the financial statements of Space 4 Limited for the year ended 31 December 2025 which comprise the Income statement, the Balance sheet, the Statement of changes in equity and the related notes 1 to 14 including material accounting policy information. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the company's affairs as at 31 December 2025 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period to 31 December 2027.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

Independent auditor's report to the members of Space4 Limited (*continued*)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the strategic report or directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are FRS 101 "Reduced Disclosure Framework" (United Kingdom Generally Accepted Accounting Practice) and the Companies Act 2006 and the relevant direct tax compliance regulation in the United Kingdom.

Independent auditor's report to the members of Space4 Limited (*continued*)

Auditor's responsibilities for the audit of the financial statements (*continued*)

- We understood how Space4 Limited complied with those frameworks by making enquiries with management to understand how the company maintains and communicates its policies and procedures in these areas and we corroborated this by reviewing supporting documentation.
- We assessed the susceptibility of the company's financial statements to material misstatement, including how fraud might occur through internal team conversations and inquiry of management and those charged with governance to understand where it considered there was a susceptibility for fraud. We corroborated our enquiries through audit work performed and made inquiries of management to identify if there are matters where there is a risk of breach of such frameworks that could have a material adverse impact on the company, as well as consideration of the results of our audit procedures across the company. We considered the programmes and controls that the company has established to address risks identified, or that otherwise prevent, deter and detect fraud; and how senior management monitors those programmes and controls. Where the risk was considered to be higher, we performed audit procedures to address each identified fraud risk. These procedures included testing manual journals and were designed to provide reasonable assurance that the financial statements were free from fraud and error. We also utilised our analytics tools and paid particular attention to manual journals in order to address the risk of management override.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. We completed procedures to conclude on the compliance of the disclosures in the directors' report and accounts with the requirements of the relevant accounting standards and the UK legislation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes

(forming part of the financial statements)

1 Principal accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

After making due enquires, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

These financial statements are prepared in accordance with UK adopted International Accounting Standards ('IAS') in conformity with the requirements of the Companies Act 2006.

The company's ultimate parent undertaking, Persimmon Plc includes the company in its consolidated financial statements. The consolidated financial statements of Persimmon Plc are prepared in accordance with UK adopted International Accounting Standards.

In these financial statements, the company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- A cash flow statement and related notes;
- Comparative period reconciliations for tangible fixed assets, intangible fixed assets and share capital; and
- The effects of new but not yet effective IFRSs.

As the consolidated financial statements of Persimmon Plc include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

The following relevant UK endorsed new amendments to standards are mandatory for the first time for the financial year beginning 1 January 2025:

- Amendments to IAS 21 Lack of Exchangeability

The above amendment has no effect on the Company's financial statements.

The Company has not applied the following new standards, amendments and improvements to standards which are not yet effective:

- Contracts Referencing Nature-dependent Electricity (Amendments to IFRS 9 and IFRS 7), effective 1 January 2026
- Annual improvements to IFRS Accounting Standards – Volume 11, effective 1 January 2026
- IFRS 18 Presentation and Disclosure in Financial Statements, effective 1 January 2027

The company is currently considering the implication of these amendments and improvements with the expected impact upon the company being limited to disclosures if applicable.

Notes (continued)

1 Principal accounting policies (continued)

Going Concern

The directors have obtained confirmation of financial support for the period to 31 December 2027 from Persimmon Plc, and have satisfied themselves as to Persimmon Plc's ability to offer this by considering the Persimmon Plc going concern assessment performed.

Persimmon Plc have performed a going concern assessment which includes severe but plausible scenarios materialising together with the likely effectiveness of mitigating actions that would be executed by the directors.

Starting from the position at 31 December 2025, the scenarios emphasise the potential impact of severe market disruption, including for example the effect of economic disruption from a cost-of-living crisis or a war, on short to medium-term demand for new homes. The scenarios' emphasis on the impact on the cash inflows of Persimmon Plc through reduced new home sales is designed to allow the examination of the extreme cash flow consequences of such circumstances occurring. Persimmon Plc's cash flows are less sensitive to supply side disruption given the group's sustainable business model, flexible operations, agile management team and off-site manufacturing facilities.

The directors of Persimmon Plc have also considered a 'Reverse Stress Test' to demonstrate the point at which the group runs out of liquid funds or breaches covenants but note the likelihood of this is less than remote.

Having considered the inherent strength of the UK housing market, the resilience of the Persimmon Plc's average selling prices and their scenario analysis, the directors have a reasonable expectation that the ultimate parent company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing these financial statements.

Turnover

Turnover for the period resulted entirely from the principal activity of the company, being the production and sale of factory manufactured timber frames and roof cassettes in the United Kingdom and is normally recognised at the point of delivery.

Tangible assets

Tangible assets are held at cost less accumulated depreciation.

Buildings are written down to an estimated residual value on a straight-line basis at an annual rate of 2.5%. Plant and machinery are depreciated based on its expected usage in terms of units produced.

Inventories

Stocks are stated at the lower of cost and net realisable value. Cost includes the purchase price of raw materials plus capitalised overheads.

Taxation

Current tax is provided at amounts expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised on all timing differences where the transaction or events that give rise to an obligation to pay more tax in the future, or a right to pay less tax in the future, have occurred by the balance sheet date. Deferred tax is measured at the average tax rates that are expected to apply in the period in which the timing differences are expected to reverse based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Leases

The company recognises a single recognition and measurement approach for all leases, except for short-term leases and leases of low value assets. The company recognises lease liabilities to make lease payments and right of use assets representing the right to use the underlying assets.

Notes (continued)

1 Principal accounting policies (continued)

Impairment of financial assets

The company recognises an allowance for expected credit losses for all debt instruments not held at fair value through profit and loss. Expected credit losses are based on the difference between the contracted cash flows due in accordance with the contract and all the cash flows that the company expects to receive, discounted at an approximation of the original effective interest rate.

For trade receivables and intercompany receivables, the company applies a simplified approach in calculating expected credit losses. The company does not track changes in credit risk but instead recognises a loss allowance based on lifetime expected credit losses at each reporting date.

Pension costs

Pension costs in relation to defined benefit schemes are accounted for based on charging the expected costs of providing pensions over the period during which the company benefits from the employees' services. Payments to the defined contribution scheme are accounted for on an accruals basis.

2 Turnover

	2025 £000	2024 £000
Revenue from the sale of timber frames and roof cassettes	<u>24,481</u>	<u>17,213</u>

All revenue has been earned in the United Kingdom.

3 Notes to the income statement

Operating profit is stated after charging:

	2025 £000	2024 £000
Depreciation of tangible fixed assets, owned	<u>562</u>	<u>359</u>

Fees payable to the company's auditor for the audit of the annual accounts totalled £14,000 (2024: £13,750). Non audit fees were £nil (2024: £nil). Amounts receivable by the company's auditor in respect of services to the company and its associates, other than the audit of the company's financial statements, have not been disclosed as the information is required instead to be disclosed on a consolidated basis in the consolidated financial statements of the company's parent, Persimmon Plc.

4 Staff numbers and costs

The average weekly number of persons (including executive directors) employed by the company during the year was 69 (2024: 61).

The costs incurred in respect of these employees were:

	2025 £000	2024 £000
Wages and salaries	2,612	2,076
Social security costs	328	201
Other pension costs	173	109
	<u>3,113</u>	<u>2,386</u>

Notes (continued)

5 Directors' remuneration

The directors did not perform qualifying services in respect of this entity and as such £nil (2024: £nil) emoluments have been received.

6 Taxation

	£000	2025 £000	£000	2024 £000
<i>Analysis of charge in the year</i>				
UK corporation tax				
Current tax on profits for the year	(357)		225	
Total current tax		(357)		225
Deferred tax (see note 11):				
Origination/reversal of timing differences	518		210	
Adjustments in respect of prior periods	(218)		(752)	
		300		(542)
Taxation on profit on ordinary activities		(57)		(317)

Factors affecting the tax credit for the current year

The taxation on profit on ordinary activities for the year is lower than (2024: lower than) the standard rate of corporation tax in the UK of 25.0% (2024: 25.0%). The differences are explained below:

	2025 £000	2024 £000
<i>Current tax reconciliation</i>		
Profit on ordinary activities before tax	355	1,626
Current tax at 25.0% (2024: 25.0%)	89	406
<i>Effects of:</i>		
Expenses not deductible for tax purposes	(446)	(181)
Adjustments in respect of prior periods	(218)	(752)
Origination / reversal of timing differences	518	210
Total current tax credit (see above)	(57)	(317)

Notes (continued)

7 Tangible fixed assets

	Freehold land and buildings £000	Plant and machinery £000	Total £000
<i>Cost</i>			
At 1 January 2025	6,825	14,689	21,514
Additions	-	4,467	4,467
Disposals	-	(1,594)	(1,594)
At 31 December 2025	<u>6,825</u>	<u>17,562</u>	<u>24,387</u>
<i>Depreciation</i>			
At 1 January 2025	2,709	4,704	7,413
Charge for the year	100	627	727
Disposals	-	(1,565)	(1,565)
At 31 December 2025	<u>2,809</u>	<u>3,766</u>	<u>6,575</u>
<i>Net Book Value</i>			
At 31 December 2025	<u>4,016</u>	<u>13,796</u>	<u>17,812</u>
At 31 December 2024	<u>4,116</u>	<u>9,985</u>	<u>14,101</u>

Included within the above are right of use assets whose balances at 31 December 2025 are costs of £2.9m (2024: £2.6m) and a net book value of £2.2m (2024: £2.1m). The depreciation charge in the year amounted to £0.1m (2024: £0.1m).

8 Inventories

	2025 £000	2024 £000
Raw materials and consumables	<u>1,411</u>	<u>1,199</u>

9 Debtors: amounts falling due within one year

	2025 £000	2024 £000
Prepayments and accrued income	922	787
Trade debtors	-	2
Amounts owed by group undertakings	<u>11,990</u>	<u>9,511</u>
	<u>12,912</u>	<u>10,300</u>

No formal arrangements for repayment of the amounts owed by other group undertakings exist, however the balances are repayable on demand. In practice, these amounts represent long term advances and are unlikely to be repaid within one year.
